OneFrogAHour Printable Sign Up Sheet

OneFrogAHour has completed its testing phase! However, we are encountering a roadblock.
We have no one signed up for OFAH!
OneFrogAHour is for those who like frogs or toads, and also use email often!

Do not use your work email, or school email, or any email that isn't yours.
Even if you have access to an email, it doesn't mean you own it.
